

Dear Author(s),

Congratulations! On behalf of the ICIC 2024 International Program Committee, we are very pleased to inform you that your paper:

Paper ID: 2028

Author(s): Liangliang Chen, Xiaotong Wang, Ziqiang Liao and Juncong Lin

Title: Heterogeneous Genome Compression on Mobile Devices

Presentation: **Oral**

has been accepted for presentation at the 2024 International Conference on Intelligent Computing, which has been selected into the following Springer –Nature series:

- **Lecture Notes in Bioinformatics (LNBI)**

This year we received a large volume of paper submissions from 17 countries and regions, and each paper received averagely 3.36 review reports, only a limited number of papers (less than the acceptance rate of 41%) are accepted while a large number of high-quality papers have to be rejected due to the space limitation.

IMPORTANT NOTES:

- Please note that the papers submitted to the ICIC conference should not have been submitted to other conferences at the same time. If multiple submissions were found, the paper will be directly excluded from the conference proceedings. In the meantime, such multiple submission information will be passed to the other involved conferences.
- From previous ICIC2006 & ICIC2009 & ICIC2011 proceedings, it can be found that there are several **severe cases of plagiarism**. So we are kindly reminding all the authors to stipulate your academic behavior, and cherish and protect your own reputation as well as our ICIC reputation. We hope not to see this phenomenon in future ICIC academic event. We shall try our best to take every measure to stop this misconduct.

To include your paper in the proceedings to be published by Springer-Nature, here are the steps you must follow:

1. Please see the attached REVIEWERS' COMMENTS for your paper, which are intended to help you to improve your paper for final publication. The listed comments should be fully addressed, as acceptance is conditional on appropriate response to the requirements and comments.

Unsatisfactory final paper submission may be directly rejected by the editor.

2. Please take a look at **Proceedings Templates (论文排版格式)** in the link (<http://www.ic-icc.cn/2024/Registration.php>) to obtain the information for preparing the final version of your paper. Note that for your camera-ready paper, you should first write your FULL given Names, and then write your FULL Family names, which is an international convention. In addition, the paper length of 12 pages for EACH paper in Springer format will be strictly enforced. If your paper is over the stipulated Maximum length, you will have to pay the over-length page fee at \$200 USD or ¥1480 RMB (\$200*7.4) per extra page.

When you have completed revising your paper and are ready to submit it, please go to the link <http://www.ic-icc.cn/2024/Registration.php> to submit your final camera-ready paper. On this page you will need to use the following account and password:

Account: liangliangchen@stu.xmu.edu.cn

Password: tMZA4vsyk69\$X!

Final papers MUST be submitted before **May 22, 2024**. The paper must be re-submitted even if the reviewers indicated that no changes are required.

3. For each paper/poster, at least one of the authors for EACH paper must register for the conference. The deadline for author registration is **May 22, 2024**.

Particularly, please write **ICIC2024 + Paper ID Number** on the **BANK** transfer receipt when you are paying for a registration fee for your paper.

4. To be published in the conference proceedings, all accepted papers must be accompanied by a signed copyright form by downloading it from the link <http://www.ic-icc.cn/2024/Registration.php>. Before submitting your final camera-ready paper, on the copyright form please write your Paper Title, Authors List, etc. and upload its scanned copy (in PDF format) together with the electronic bank transfer form (in PDF format) by <http://www.ic-icc.cn/2024/Registration.php>.

5. Hotel reservation information is available on the ICIC 2024 website very soon. Please keep an eye on <http://www.ic-icc.cn/2024/What's%20New.php> and book your room as early as possible!

If you require a visa to enter China please send a request for an invitation letter to [Prashan Premaratne, University of Wollongong, Australia at prashan@uow.edu.au](mailto:prashan@uow.edu.au). Thank you for participating in ICIC2024. We look forward to seeing you in Tianjin China, August 5-8, 2024.

Thank you very much for your support to ICIC 2024.

Sincerely,

ICIC2024 Program Committee

REVIEWERS' COMMENTS

REVIEW NO. 3

Originality: 3.5
Significance of topic: 4
Technical quality: 4
Relevance to ICIC 2024: 4
Presentation: 4
Overall rating: 3.9
Reviewer's expertise on the topic:
Comments to the authors:

I have noticed that the abstract and the introduction at the beginning have been modified according to the opinions. I think the problem with the project is still the implementation problem. The author should consider developing a mobile application to carry the algorithm and conduct more extensive testing.

Invitation Letter

Paper ID: 2028

Authors: Liangliang Chen, Xiaotong Wang, Ziqiang Liao and Juncong Lin

Paper Title: Heterogeneous Genome Compression on Mobile Devices

Dear Liangliang Chen, Xiaotong Wang, Ziqiang Liao and Juncong Lin:

Your above oral/poster paper has been accepted by 2024 International Conference On Intelligent Computing (ICIC 2024), which will be held on August 5-8, 2024, Tianjin, China. We are very glad to invite you to attend this great conference this August. Now the copyright of this paper has belonged to ICIC 2024, please do not submit it to other journals or conferences. Please see the website <http://www.ic-icc.cn/2024/> in order to register for the conference. This letter does not commit ICIC 2024 Organizing Committee to any legal responsibility for your conduct or to your financial support of any kind. Participants must register and cover their own expenses to attend the conference.

We look forward to seeing you at the conference.

Sincerely Yours

ICIC 2024 Organization Committee
